Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant questioned whether Barnes was building Use Cases? Examiner believes he does and points to FIG. 7. Discussed invention: define business activities, using a modeling tool, align with levels of a business process model, building Use Cases at different levels (high level business activity mapped to Use Case). Discussed State Activity Diagram (showing sequence and flow) as shown in FIG. 6. FIG. 6: Each column is a Business Domain. A directed arc crossing a domain column, may alert to existence of a system interface. Applicant may amend claim terms. Discussed the use of Trademarks in claims. Examiner points to MPEP 7.35.01.
